

EFFORT**PERSPECTIVE****DEPTH****COMPOSITION**

2.5	Amazing Everything accurate Great research	Perfect Nothing wrong at all	Strong Foreground/ Midground / Background Layering	Perfect point of view Excellent camera position Exactly what was asked for
2.25	Very nice Almost there	Minor errors	Not quite as good as it could be	Off slightly
2	Good, but could be better	A few mistakes here and there	Missing something Element too far away	Camera could be better placed
1.75	It's o.k.	A number of errors	A bit flat	Not the best choice
1.5	Ehhhhhh... needs more work - just above acceptable level	Lots of mistakes	Lacking in depth Only two layers?	Really needs a better angle
1.25	Bare minimum of acceptable - looks like a last-minute rush job	A whole lot of errors	Flat No depth	Not a good point of view
1	Not enough research A lot of guessing going on	Yikes!!	It can't get much flatter than this... can it?	A bad camera angle
.75	Wow... Really...?	Perspective is all over the place	Oh, I guess it can	A really bad camera angle
.5	Holy cow, this is bad	What were you thinking??	It's actually flatter than flat can get	Absolutely wrong
0	The page is blank	Nothing handed in	Kill me now	If your eyes offend you - pluck them out.
